We hope these online processes can help make your initial experience in the university plain sailing.

While you are starting this coming semester at a most challenging and unsettled time, please do not allow the pandemic to dampen your spirit. Instead, as our university hymn goes (which you will be learning by heart soon), "humayo't itanghal, giting at tapang."

We are truly delighted to welcome you and assist you in your exciting journey in the university.

UNIVERSITY OF THE PHILIPPINES

The University of the Philippines is the country's National University, as declared by its Charter of 2008, which was approved by the 14th Congress of the Philippines on Apr. 29, 2008.

UP was founded on June 18, 1908 by Act No. 1870 of the Philippine Assembly, upon the recommendation of W. Morgan Schuster, Secretary of Public Instruction, to the Philippine Commission, the upper house of the Philippine Assembly.

Act 1870 authorized the Governor General to establish UP in the "city of Manila, or at any point he may deem most convenient." UP was to give "advanced instruction in literature, philosophy, the sciences and arts, and to give professional and technical training" to every qualified student regardless of "age, sex, nationality, religious belief and political affiliation."

UP is now a System of eight constituent universities, namely: UP Diliman (with Extension Programs in Olongapo and Pampanga); UP Baguio, UP Los Baños, UP Manila (with Schools of Health Sciences in Baler, Palo and Koronadal), UP Visayas (with campuses in Iloilo/Miag-ao and Tacloban), UP Cebu, UP Mindanao and UP Open University.

UP was initially established along Padre Faura and R. Hidalgo streets in the city of Manila with the College of Fine Arts, the College of Liberal Arts and the College of Medicine and Surgery. The School of Agriculture was also established in Los Baños, Laguna. The succeeding years saw the creation of additional academic units in both sites.

From 67 in 1908 to 7,849 in 1928, the increase in student population called for an expansion outside of the small location in Manila. In 1939, the University acquired a 493-hectare property in Diliman, Quezon City. Construction began in the same year, but development was stalled by World War II.

The war caused extensive damage to buildings in Diliman. Led by UP President Bienvenido Gonzalez, the university administration sought a P13-million grant from the US-Philippines War Damage Commission to restore the damaged facilities and to construct new ones to enable the transfer of the university from Manila to Diliman. It was amidst the rural surroundings of Diliman that UP celebrated its 40th anniversary in 1949, highlighted by the transfer of the Oblation from UP Manila on Feb. 12. A motorcade made its way from Padre Faura to the cogon-strewn expanse in Quezon City, marking the university's transfer to its new campus. Henceforth, the administrative functions of the university, as well as the governance of its regional units in Manila, Los Baños, Baguio and Cebu, were relocated to Diliman.

The first college to operate in Diliman in 1949 was the Conservatory of Music. On the same year, the first general commencement exercises were held at the Sunken Garden.

OFFICE OF THE UNIVERSITY REGISTRAR

The Office of the University Registrar (OUR) is a vital arm of the University of the Philippines Diliman. Its specific role is to provide accurate, validated, authenticated information, documentation, advice and critical support and other services related to academic programs and degree requirements. It is a main player during enrollment and is a keeper of permanent academic records and other credentials for a variety of student concerns. As official recorder, it serves as Secretariat in the different administration committees like the Executive Committee, Curriculum Committee, Committee on Student Progress, Admission and Graduation, and in University Council (UC) meetings. It is also the Steering Committee of the University Council Committees.

The OUR, as a repository of student records, is both a data source and resource for researchers. It is under the Office of the Vice Chancellor for Academic Affairs. It has three sections: Administrative, University Council Secretariat, and Academic Information System; and two divisions: Admissions and Registration, and Student Records.

The OUR is along T.M. Kalaw Street corner Quirino Street, UP Diliman, Quezon City. It is open Mondays through Fridays 8 a.m. to 5 p.m. Its email and contact numbers are:

RULES ON SCHOLASTIC STANDING

GOOD SCHOLASTIC STANDING

A student is in good scholastic standing if at the end of the semester s/he obtains a final grade of "3" or higher in at least 75 percent of the total number of academic units in which s/he is registered. However, colleges/units may impose additional rules on good scholastic standing such as a minimum grade average or required number of units passed per semester/year.

SCHOLASTIC DELINQUENCY

The faculty of each college or school shall approve suitable and effective provisions governing undergraduate delinquent students, subject to the following minimum standards:

- 1. WARNING.** Students who, at the end of the semester, obtain final grades below "3" in 25 to 49 percent of the total number of academic units in which they are registered shall be warned by the Dean to improve their work.
- 2. PROBATION.** Students who, at the end of the semester, obtain final grades below "3" in 50 to 75 percent of the total number of academic units in which they have final grades shall be placed on probation for the succeeding semester and their load shall be limited to the extent to be determined by the Dean.

Probation may be removed by passing with grades of "3" or better in more than 50 percent of the units in which they have final grades in the succeeding semester.

3. DISMISSAL. Students who, at the end of the semester, obtain final grades below “3” in at least 76 percent of the total number of academic units in which they receive final grades shall be dropped from the rolls of the college or school.

Students on probation, in accordance with 2) above, who again fail in 50 percent or more of the total number of units in which they receive final grades shall be dropped from the rolls of their college or school subject to the following:

a. Students dropped from (1) college shall not ordinarily be admitted to another unit of the University unless, in the opinion of the Vice Chancellor for Student Affairs, their natural aptitude and interest may qualify them in another field of study in which case they may be allowed to enroll in the proper college or department.

b. Students who were dropped in accordance with rules on “Dismissal” and again fail so that it becomes necessary again to drop them, shall not be eligible for readmission to any college of the University.

4. PERMANENT DISQUALIFICATION. Students who, at the end of the semester, obtain final grades below “3” in 100 percent of the academic units in which they are given final grades shall be permanently barred from readmission to any college of the University.

Permanent disqualification does not apply to cases where, on the recommendation of the faculty members concerned, the faculty certifies that the grades of “5” were due to the student’s unauthorized dropping of the subjects and not to poor scholarship. However, if the unauthorized withdrawal takes place after the mid-semester and the student’s class standing is poor, his/her grades of “5” shall be counted against him/her for the purpose of this scholarship rule. The Dean shall deal with these cases on their individual merits in the light of the recommendations of the Vice Chancellor for Student Affairs; provided, that in no case of readmission to the same or another college shall the action be lighter than probation.

For purposes of scholastic standing, a grade of “Inc” is not included in the computation. When it is replaced by a final grade, the latter is to be included in the grades during the semester when the removal is made. The grade “4” is counted until it is removed. Once removed, only the final grade of “3” or “5” is counted.

Required courses in which a student has failed shall take precedence over other courses in his/her succeeding enrollment.

In colleges or schools in which the weight of the courses are not expressed in terms of units, the computation shall be based on their respective equivalents.

No re-admission of dismissed or disqualified students shall be considered by the deans and directors without the favorable recommendation of the University Guidance Counselor. Cases in which the action of the deans or directors conflicts with the recommendation of the University Guidance Counselor may be elevated to the Vice Chancellor for Academic Affairs, whose decision shall be final.

HONORIFIC SCHOLARSHIPS

The University recognizes academic excellence by conferring the following honorific scholarships. These do not entitle the holders to any tuition waiver or discounts.

UNIVERSITY SCHOLAR

Any undergraduate student who obtains at the end of the semester an absolute minimum weighted average of "1.45" or better, or a graduate student with an absolute minimum weighted average of "1.25" or better is given this honorific scholarship. University Scholars are listed in the President's list of Scholars.

COLLEGE SCHOLAR

Any undergraduate student who, not being classed as University Scholar, obtains at the end of the semester an absolute minimum weighted average of "1.75" or better, or a graduate student who obtains an absolute minimum weighted average of "1.5" or better is given this honorific scholarship. College Scholars are listed in the Dean's List of Scholars.

In addition to the general weighted average prescribed, a student must:

1. Have taken during the previous semester at least 15 units of academic credit or the normal load prescribed (not less than 8 units in the case of a graduate student); and
2. Have no grade below "3" in any academic or non-academic subject.

Grades of "Inc." must be completed by the end of the semester. (The end of the first semester is the day before the registration for the second semester. The end of the second semester is on the day of the UP General Commencement Exercises.)

The effectivity of the scholarship is for the semester when such weighted average is obtained.

Parangal para sa mga Mag-aaral 2017

GRADUATION WITH HONORS

106th General Commencement Exercises

Students who complete their courses with the following ABSOLUTE MINIMUM weighted average grade shall be graduated with honors:

Summa cum Laude	1.20
Magna cum Laude	1.45
Cum Laude	1.75

Provided, that all the grades in all subjects prescribed in the curriculum, as well as subjects that qualify as electives, shall be included in the computation of the weighted average grade; provided, further, that in cases where the electives taken are more than required in the program, the following procedure shall be used in selecting the electives to be included in the computation of the weighted average grade:

1. For students who did not shift programs, the required number of electives will be considered in chronological order.
2. For students who shifted from one program to another, the electives to be considered shall be selected according to the following order of priority:

- a. Electives taken in the program where the student is graduating will be selected in chronological order.
- b. Electives taken in the previous program and acceptable as electives in the second program will be selected in chronological order.
- c. Prescribed courses taken in the previous program but qualify as electives in the second program will be selected in chronological order.

Students who are candidates for graduation with honors must have completed in the University at least 75 percent of the total number of academic units or hours for graduation and must have been in residence therein for at least two (2) years immediately prior to graduation.

In the computation of the final average of students who are candidates for graduation with honors, only resident credit shall be included.

Students found guilty of cheating/dishonesty shall be barred from graduating with honors, even if their weighted average is within the requirement for graduation with honors. Provided, further, that students who have been suspended for one (1) year or more due to conduct as defined in the Rules and Regulations on Student Conduct and Discipline; the Revised Rules and Regulations Governing Fraternities, Sororities and other Student Organizations, and the Implementing Rules and Regulations of the Anti-Sexual Harassment Act of 1995 shall be barred from graduating with honors.

Students who are candidates for graduation with honors must have taken during each semester/trimester not less than 15 units of credit or the normal load prescribed in the curriculum, unless the lighter load was due to justifiable causes such as health reasons, the unavailability of courses needed in the curriculum to complete the full load, or the fact that the candidate is a working student.

To justify underloading under the following conditions, the submission of pertinent documents is required:

1. Health reasons - medical certification from the University Health Service
2. Unavailability of courses - certification by the major adviser and copy of schedule of classes
3. Employment - copy of payroll and appointment papers indicating among others duration of employment

It is the responsibility of the student to establish beyond reasonable doubt the veracity of the cause(s) of his/her light loading. It is required, in this connection, that the documents submitted to establish the cause(s) of the light loading must be sworn to. **THESE DOCUMENTS MUST BE SUBMITTED DURING THE SEMESTER OF UNDERLOADING.**

ACADEMIC INFORMATION

College of Social Sciences and Philosophy

ACADEMIC CALENDAR

The academic year is divided into two semesters of at least 16 weeks each, exclusive of registration and final examination periods. Each semester consists of at least 100 class days. A midyear session of six weeks follows the second semester. Class work in the midyear session is equivalent to class work in one semester. The first semester begins in September, the second semester in January and the midyear term in June.

SEMESTRAL SYSTEM

All UPD academic units operate under the semestral system, except for the following programs under the trimestral system: the evening Master of Business Administration program and the Master of Science in Finance program (Cesar EA Virata School of Business), Master of Management (UPD Extension Program in Pampanga/ Olongapo) and the Professional Masters in

Tropical Marine Ecosystems Management program (College of Science).

CREDIT UNIT

The unit of credit is the semester hour. Most classes taught at the University meet three hours a week; these classes carry 48 clock-hours of instruction and three units of credit. Each unit of credit is at least 16 semester-hours of instruction in the form of lecture, discussion, seminar, tutorial or recitation or in any combination of these forms. Laboratory work, field work or related student activity is credited one unit for at least 32 semester hours.

MEDIUM OF INSTRUCTION

English is generally used as the medium of instruction in the University. The UP Language Policy provides for the development and use of the Filipino language while maintaining English

as a global lingua franca. The Policy states that Filipino shall be the medium of instruction in the University at the undergraduate level, within a reasonable time frame or transition period. Graduate courses of study shall be in English, though there could very well be graduate courses of study in which the medium of instruction is Filipino. English shall be maintained as the primary international language in the University to serve as its chief medium of access to the world's intellectual discourse.

GENERAL EDUCATION PROGRAM

The General Education (GE) Program is a set of courses classified under the domains of Arts and Humanities, Social Sciences and Philosophy, and Mathematics, Science and Technology that give students knowledge and competencies to better prepare them for the basic understanding of various ways of knowing. This makes the UP student a well-rounded person ready for lifelong learning skills.

The liberal education thrust of GE aims to mold the UP student to becoming a holistic person, a more independent, creative, and critical thinker; a morally sound and intellectual individual of high integrity, and well able to adapt to the fast-changing pace of today's living.

The GE Program was first adopted in 1958 and underwent several revisions thereafter.

ACADEMIC FRAMEWORK

UPD's academic framework is divided into four clusters under which the various degree granting units are assigned, namely: Arts and Letters, Management and Economics, Science and Technology and Social Sciences and Law.

CENTERS OF EXCELLENCE

On Dec. 23, 2015, the Commission on Higher Education (CHED) identified 137 Centers of Excellence (COE) in public and private institutions of higher learning in the country, 23 of which are at UPD. The Commission defines a COE as demonstrating "excellence in performance in the areas of instruction, research and publication, extension and linkages and institutional qualifications." The CHED is the lead in the Philippine higher education system.

Eight COEs are in the College of Science, namely Biology, Cell and Molecular Biology, Chemistry, Environmental Science, Geology, Marine Science, Mathematics and Physics. Five are in the College of Social Sciences and Philosophy as: Anthropology, Foreign Language, History, Political Science and Psychology.

Three are at the College of Mass Communication, namely Broadcasting, Communication and Journalism.

The remaining disciplines are Chemical Engineering and Geodetic Engineering, both at the College of Engineering; English and Literature (College of Arts and Letters); Library and Information Studies (School of Library and Information Studies); Social Work (College of Social Work and Community Development) and Statistics (School of Statistics).

On Mar. 22, 2016, three more COEs were awarded: Metallurgical Engineering, Electrical Engineering, and Teacher Education.

The designation as a COE is from Jan. 1, 2016 to Dec. 31, 2018 or until sooner terminated, revoked or cancelled.

UP NAMING MAHAL

UP naming mahal
Pamantasang hirang
Ang tinig namin
Sana'y inyong dinggin
Malayong lupain
Amin mang marating
Di rin magbabago ang damdamin
Di rin magbabago ang damdamin

Luntian at pula
Sagisag magpakailanman
Ating 'pagdiwang
Bulwagan ng dangal
Humayo't itanghal
Giting at tapang
Mabuhay ang pag-asa ng bayan
Mabuhay ang pag-asa ng bayan
